## SSOA General Session Meeting

### *Meeting Minutes*

The SSOA held a general session meeting on April 16<sup>th</sup>, 2007 at Concord Baptist Church. The members that were present at the meeting are listed at the end.

1. Aaron Martin welcomed everyone to the meeting and discussed the agenda for the evening.
2. Aaron/Bill Sisk discussed the training topic for the meeting **Game Management**
3. A game situation brought up the discussion on the proper mechanic for disqualifying a player that has received a second caution (yellow/red). The proper mechanic is to show the yellow and then show the yellow/red in one hand. This signifies to the coaches a disqualification and the team is allowed to sub.

**Very important** - be sure the cautioned player is all the way off the field before beckoning on the substitute. This ensures if the cautioned player commits another offense before leaving the field, that player can be issued a red card and the team will play short.

This was the last General Meeting of the season.
